

New, more restrictive time limits  
on TFA receipt will go into effect on October 1, 2001.

***These new rules will leave hundreds of Connecticut families  
without access to TFA cash benefits.***

Community advocates and service providers from around the state have been meeting in their regions to fashion a response to these cut offs. This petition has been developed to oppose these cuts and to call on the Governor and policy makers to shift course.

***Please get this petition out to your networks!***

The petitions will be collected and presented to policy makers at a Thanksgiving event.

For more information call 860-278-5688 x11.

**Please return petitions by November 8 to:**  
CABHN, 80 Jefferson St, Hartford, CT 06106.
